

Forecast For Wales
Issued by Met Office Exeter
at 0400 on Sunday 16 May 2021

++ Valid for broadcast between 0600 and 1800

Headline:

More thundery showers today, but turning drier later.

Today:

Sunday starts with a mixture of sunny spells and scattered showers. Showers will be heavy at times, accompanied by hail and thunderstorms and persisting throughout the afternoon. Feeling rather cool. Maximum temperature 15 deg C (59 deg F).

Tonight:

Any lingering showers will gradually ease during the evening to leave a mostly dry night with some clear spells and the odd isolated shower. Remains cool with light winds. Minimum temperature 7 deg C (45 deg F).

Monday:

A murky and damp start for many with scattered showers, heavy at times and potentially thundery. Showers easing during the afternoon with plenty of sunny spells to follow. Maximum temperature 15 deg C (59 deg F).

Outlook for Tuesday to Thursday:

Unsettled conditions for Tuesday and Wednesday. Sunny spells and scattered showers heavy and thundery at times, but with drier nights. Windy and mostly cloudy with rain arriving on Thursday.
